An online program covering the basics of Graphic Design and the Adobe Creative Cloud family of applications

B.A. History: University of California, Riverside

Applicable Experience

Wasatch Contras

2004-present

Salt Lake City, UT

Designing and maintaining a Wordpress website. Exploring Wordpress documentation and tutorials in order to add features and functionality to the site. Integrating the site with Weebly (creating the online store), Google docs (creating registration materials for events and integrating them with the website), PayPal (formatting and integrating membership payments), and MailerLite (generating and distributing emails and maintaining the email address database.)

Forward and Back Catering

2006-present

Salt Lake City, UT

Working with various catering applications (MasterChef, Paprika, BigOven) maintaining a database of recipes, dietary accommodations and nutritional information, shopping lists, menus, and locations for my catering business. Coordinating many volunteers to provide meals for groups of 50-300 people on weekend retreats.
